LOCAL MOVES IN OAMARU Storage/packing/North Is trips

MOUNT COOK

MOVING & STORAGE LTD (EST 1989)

Ph Peter 027 434 1289 www.mtcookmoving.co.nz

What a wonderful rain last Saturday afternoon and evening - Spring in North Otago is always so much better for a rain like that.

Our Kanzan Cherry trees are creating pink lawns and driveways here - so pretty and now the beautiful Shimadzu Sakura low spreading pale

pink flowering Prunus are in full bloom. These are truly beautiful and deserve a spot in every garden big enough to cope with them. Lilac and Lily of the Valley are blooming here - both with their old fashioned perfumes that evoke Childhood memories in me.

" The smell of moist earth and Lilacs hung in the air like wisps of the past and hints of the future" Margaret Millar.

Removing weeds, lawn seed sowing and mowing has been keeping us pretty busy out here. Warmer ground and weeds grow before your eyes - still time to pull out or hoe. From one smallish patch of garden, I managed to fill a wheelbarrow with Convolvulus roots! Previous years I have just pulled it out when spotted, so I felt it was time to address the problem at the root level and found it was like the London underground, all growing strong with the compost I had spread over the years. Convolvulus is one weed that should not go into the compost until it has been left in the sun to completely dry out and become straw-like. Roses are doing well now that the nights are milder. Keep the food and deep root watering up to them as they bud up. Foliar feeding on fresh new leaves works well now, along with slow release fertiliser which ensures they are fed with each water. Healthy well fed Roses are less likely to become diseased.

Cut back Ericas, Callunas that have flowered during Winter and Aubrietia - the purple rockery plant will give you another flowering if you do.

Cut spent flowers from Hellebores before they drop seed, then get the full effect of their wonderful leaves.

Polanthus have been wonderful over late Winter and early Spring -but now it's time to cut them back and shift to a shady spot. They can be planted in a sunny spot again early next Winter.

PLANT, PLANT, PLANT flower plants and seeds - fill gardens leaving no room for weeds...

Lawns: Feed lawns when rain is about. With all the rain we have had over past months, nutrients will have washed out. Powdered fertilisers need to be watered well in to stop burning during the heat of the day.

Pumpkin and Squash plants are almost ready to plant - prepare area for them to ramble with a lot of compost and old stable manure dug in. The leaves will always let you know when they need water as they grow.

If you have a glass or tunnel house, why not plant some Peppers - they grow high, so when their stems are strong enough, bang in a stake and attach a string from the stake to the roof to support them as they grow up.

Raspberry Canes and Strawberries are doing a lot of growing now -they both flower and fruit up really quickly. As long as they get all day sun, they will ripen fast. Berries and new seasons Peas are perfect for encouraging children into the garden.

Coddling Moth traps now need to be in place in Apple trees. Some trees never attract the Moth that will lay the eggs of

the small grubs that eat through Apples - but if a tree does, you can be sure others will be chosen close by.

Eradication of Codling Moth: Quarter fill a plastic milk container with Treacle and hang in the tree to attract male grubs. The Treacle is said to smell like the female Codling Moths pheromone, which will attract the male grub into the container to reach a sticky end. A double bonus is that the Treacle will attract grub eating birds.

Rhubarb: Keep manure enriched compost up. If the soil gets hard and dry around Rhubarb, it will grow stringy.

Herbs are growing well now - pick a few batches while fresh and to stop them going to seed. Drying herbs :Pick in the full heat of the day, lay out on newspaper, or bunch and hang in a dry airy place until crisp. (All moisture must be gone). Then rub together into sprinkle sized bits and store in brown paper bags or glass jars to use in the months when they are not available.

Cheers, Linda

Recipe of the Week: Saucy Sues

4oz Butter,
3/4 cup sugar,
2tsp ground ginger,
1dsp G.Syrup.
1dsp milk,
1tsp B.Soda,
1cup Flour, 1/2tsp salt,
1 cup Cornflakes, or crushed Weetbix.

Cream Butter and sugar. In a small pan place ginger, milk and syrup. Heat - stirring until mixture boils. Remove from heat and stir in Soda. Turn this foam onto butter and mix through, then add cornflakes, flour and salt. Mix well and place small lots on greased tray and press with fork. Place fairly well apart. Bake 10 mins at 350 deg.

What's Happening at Weston Playcentre?

The children have been delighted to get back to Weston Playcentre for the start of a new term. At the end of last term we received our new water pump and barrel! Our tamariki have been having a great time exploring this new feature of our playground and watering the garden has never been so much fun. Now that the weather is improving there are even more opportunities to play outside. Lots of fun was had last week playing on the trampoline. The children enjoyed working on their bouncing technique including spins and tricks, jumping off at the end of each turn was great fun too of course. This also gave everyone the opportunity to practise their turn-taking and they all did such a great job, ka pai children! If you or your pre-schooler would like to join in the fun- pop along for three free visits to see if Playcentre is right for you. We have lots to look forward to this term including visits from the police and ambulance services. We also have some outings planned which include the Bike Park and Friendly Bay. Lots of fun for all!

Remembering Our Loved Ones

Each year at St Luke's Church Itchen St, there is a service of remembrance for those family and friends who have died. If you would like a name included in the list to be read out, please contact June Jones 434 7267. All are warmly invited to join in this Service of Remembrance on Thursday, 2nd November at 7.30pm as we honour and celebrate the lives of those who are no longer with us, but whose memories remain. A single bloom can also be brought along to be incorporated in our floral tribute.

Supper will be served at the conclusion of the Service.

Maheno School

Enjoying Wellington after winning Air NZ Airpoints for School Programme.

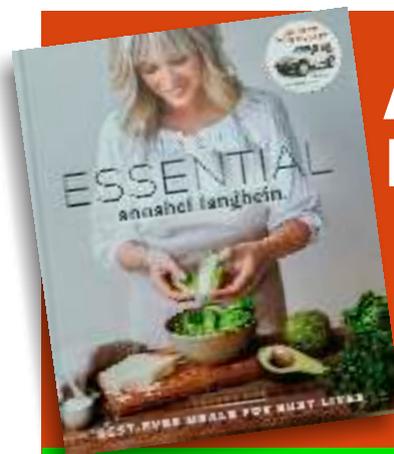

North Otago Vintage Car Club Day

Well folks - it's coming up to that time again! We show off our vintage cars, trucks, motorbikes and everything in-between. It's a sight to behold.

Lots of vehicle parts - tools and garage treasures for the enthusiast and of course there are stalls. Everything from plants to Bric-a-brac, food and even a psychic-medium and raffles.

As a club our vintage vehicles are used for a variety of occasions, Iona home drives, schools and even movies.

So come to the A & P Showgrounds on the 18th November, 8am - 1pm and have some fun!
